

Rusty Cup Hole By Hole Contest – Rules for 2015 Season

1. No entry fee. All members competing in at least one tournament are eligible.
2. Format will be Gross and Net scores. The object of the contest is to accumulate the lowest score over 18 holes.
3. Player must turn in a scorecard at the end of the tournament to have it count towards their total score.
4. Contest will start with the January 2015 tournament and end with the November 2015 tournament. There will be a total of 12 possible rounds to accumulate a score (includes the 2 day Club Championship). All of the tournaments this year are a form of stroke play so there will be no confusion with playing a hole on a partner's ball.
5. The player's lowest score for each hole on the course will be the one recorded for the contest. For example, in the January tournament a player records a 6 on Hole #1. In the February tournament he scores a 5. The 5 will now be the lowest score for the hole, and the player can still improve on it in a later tournament. If the player were to record a 7 on the hole in the next tournament, the 5 will still remain as the score for the hole.
6. Net score will be determined by a player's handicap for a particular tournament. For example, in one tournament a player has a 12 handicap. On the #12 handicap hole, the player scores a 4. The contest score would be recorded as a Gross 4 and a Net 3. In the next tournament, the player now has an 11 handicap and scores a 3 on the #12 handicap hole. The Gross score will now be a 3 while the Net score remains at 3.
7. **Maximum handicap for any tournament for Rusty Cup is 18.**
8. Prizes will be awarded to the top 4 players in both Gross and Net scores. A player can only win one prize and will be awarded the higher place of Gross or Net side. If the player is in the same place in Gross and Net, the player will take the Gross place.
9. Tie scores will be broken in accordance to USGA rules. The tiebreak format is as follows:
 - 1) Lowest total score for the Back 9
 - 2) Lowest total score for the final 6 holes
 - 3) Lowest total score for the final 3 holes
 - 4) Lowest score on Hole #18
10. Prizes will be paid in Rustic Canyon Golf Course gift cards. The following prize amounts are for both Gross and Net:
 - 1) \$130
 - 2) \$60
 - 3) \$40
 - 4) \$20
